Tips on Choosing the Right Camp

Montgomery County Recreation offers a wide variety of camps and programs. There's something for almost any kid's interest—arts and crafts, sports, theatre, dance, science, nature and so much more.

Camps and programs are available for ages 3-18 and up to age 21 for those with disabilities. Plus, many camps have the option of free bus transportation from central bus hubs.

How do you do all this? It's simple. Just follow the numbers:

- 1** Look through this brochure and choose from the many camps and programs offered. Campers must be the camp's advertised age by Sept. 1, 2009.
- 2** Most camps run in two-week sessions with hours from 9:00am to 3:30pm. For added convenience, an extended camp operates from 7:00-9:00am to 3:30-6:00pm for an extra fee at most of the camps.
- 3** We offer free bus transportation from centralized hubs for many of our camps. Be sure to check what transportation is available for each camp. You must register for bus transportation when you register your child for a camp.
- 4** Register early! Many camps fill up fast, and each camp is registered by a first-come/first-serve basis.
- 5** On the first day of camp, your child will be assigned to a counselor, who will hand out a newsletter that outlines the planned activities. Staff members for camps and summer fun centers have gone through County-sponsored training and background checks, so you can feel safe and secure with your child in our care.

And that's it! Pretty simple, huh?

Of course, there are other details to know as the camp draws close. Information packets are mailed to parents by mid-May. Air-conditioning may not be available at all locations.

If you have any questions, be sure to call us at 240-777-6870.

ADA Accommodations

Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), or if your child has a 504 plan or IEP at school, please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-4925).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance his or her experience at camp. Since placements are limited, *registration and requests for companions must be made at least 3 weeks before the start of the program.* Companions may not be available every session.

For fastest registration priority, use RecWeb, Starline, or register in person!

The Recreation Department offers five ways to register for activities: RecWeb internet registration, STARLine touchtone telephone registration, walk-in registration, mail, and fax.

A note about fax and mailed registrations: Our Customer Service representatives process faxed and mailed registrations as quickly as possible; but we cannot guarantee that these registrations will be processed immediately upon receipt. If there are walk-in customers at the Customer Service window when faxed or mailed registrations are received, the walk-in customers are served before the faxed or mailed registrations are processed. If faxed or mailed registration forms are received prior to the first official day of registration, these forms will be secured in a safe until registration begins. At that time, the faxed or mailed registrations will be processed, but may not necessarily be processed in the strict order that they were received, and all will be treated as if they arrived on the first day of registration.

Register from the comfort of your own home or wherever you have an internet connection!

No need to walk in or mail in your registration form. Your registration is complete with only a few mouse clicks using RecWeb Internet Registration! You must have an account with us before you register via RecWeb.

For more information about RecWeb, visit our website at www.montgomerycountymd.gov/rec and select Registration.

For those who prefer to register on the phone, we still offer STARLine, our automated touchtone phone registration system. Visit our website for complete information about using STARLine.

Have more questions about how to register?

Call us at 240-777-6840 and we'll be glad to answer any questions you might have.

All registrations and debts owed on your account must be paid for in full when you register via RecWeb or STARline.

Accommodations To Make The Fit Just Right!

How to Register: Individuals with disabilities are encouraged to register for and participate in Montgomery County Department of Recreation programs. Registrants must meet the basic requirements of the program (e.g., they must be the correct age). Then, just fill out a registration form.

How to Request Services: To request a mainstream companion, a sign language interpreter, Braille or large print, or other services, call a Therapeutic Recreation Specialist at least 3 weeks prior to the start of the program.

What is a Mainstream Companion? A companion provides support for an individual with a disability during general Department of Recreation programs. Most companions are trained volunteers. Request for companions are filled on a case-by-case basis depending upon the skills and availability of the volunteers. Companions do not provide personal care. Placements are limited, so early notification is essential.

Summer Fun Centers

Ages 5-12

Activities are well planned and supervised, and definitely COOL for those HOT summer days when you choose a Summer Fun Center! Whether you hang out with friends or make new ones, we'll keep things hopping with creative and fun crafts, sports, games, drama, music, and special events.

You can choose to come every day or just when you feel like it, but every day will be packed with summer fun for kids like YOU! No transportation is provided, and no offsite trips are scheduled, but you'll find it's still the best deal in town. Campers attending full-day programs must bring their lunch. Programs will not meet on Friday, July 3.

Age Requirements

Children must be between the ages of five and twelve years. Five-year-olds must be entering first grade in the Fall. Proof of school attendance may be required. Children must be no older than twelve throughout the six-week session.

Split Age Sites

To accommodate high volume registrations, some locations have restricted age groups.

Dates

Summer Fun Centers are scheduled Monday through Friday from June 29 until August 7. All centers will be closed on Friday, July 3.

Sites with Extended Hours

The afternoon Extended Program is from 3:00-6:00pm and offers both active and less active fun to fit the interests and energy level of the campers as they cool down from a busy day. Extended programs are all about fun in a safe and secure environment.

Fees

\$175 for a six week Summer Fun Center. \$60 for the extended day program at sites indicated.

Heat & Ozone Alerts

Some program facilities may not be air conditioned. When code red ozone alerts and high temperature warnings are issued, all programs limit their outdoor activity.

Program Site Changes

Due to circumstances beyond our control, the Department of Recreation may need to move a program to an alternate site. Parents will be notified of all changes as soon as possible.

Teen Volunteer Opportunities

Ages 13-16

240-777-6985

The Volunteer Experience The mission of the teen volunteer program is to train teens to become recreation leaders and to provide assistance to our summer programs. We strive to increase confidence in teens as well as to develop communication and leadership skills. Student Service Learning hours may be earned upon successful completion of the program.

Responsible teens who are able to make a commitment for an entire program session will be placed on the basis of skills, interest, session availability, and location preferences. All assignments provide training, the opportunity to work with children, and to enhance leadership ability. Program sites are subject to change/cancellation, due to school schedules and/or low program enrollment.

Important Information

Let us help you

With hundreds of camps and programs available, where do I begin?

- Carefully review this brochure, select the CAMP or PROGRAM that is of most interest to you.
- If the camp or program includes an EXTENDED CAMP and BUS TRANSPORTATION identification code, go to pages 16-18 to find the nearest extended camp.
- Below the information about the Extended Camp, find the BUS CODE that includes the camp name that you have chosen.
- REGISTER TODAY! Registration is on a first come, first served basis, therefore do not delay. Space in some camps and programs fills up quickly. Go to page 40 for registration instructions.
- Use the REGISTRATION FORM on page 41. Carefully fill out all the required information on the form because any missing information will delay the registration process. Be sure to include the correct BUS CODE.
- If you need additional help, call the telephone number at the bottom of the page that corresponds to the program for which you are registering.
- You will receive a REGISTRATION CONFIRMATION after your registration is processed.

Air Conditioning: Air conditioning may not be available at all locations. Sports and outdoor camps, as well as camps held in school gyms and park sites are usually not air conditioned.

Extreme Heat and Code Red Ozone Alerts: When code red or code orange alerts and high temperature warnings are issued, all programs limit their outside activity. Alternative activities include quiet games, water play and special events. Programs without indoor facilities may be moved to an indoor site at the discretion of the Department of Recreation.

Participants with Disabilities

Children and teens with disabilities can register for programs based on age, needs and their level of competency. There are two options: therapeutic recreation camps especially designed for persons with disabilities or inclusion in the general recreation programs. If your child has a school 504 plan or an IEP, please call 240-777-4925 to speak with a therapeutic recreation specialist about your child's needs.

If your child is enrolled in a special education program at his/her school, call 240-777-4925 to request a volunteer companion for additional help which could make for a more positive camp experience for your child. Companions may not be available for each session. Since companion availability is limited, registration and requests for companions, auxiliary assistants or services must be made at least 3 weeks prior to the beginning of the program.

ADA Accommodations

The Montgomery County Government is dedicated to abiding by the Americans with Disabilities Act. If you need help or additional assistance to participate (for example, a personal assistance, ASL, a sign language interpreter or large print), please call 240-777-4925 to speak with a therapeutic recreation specialist about your needs.
